Cancellation Notice of AMS-T-21014A, Tungsten Base, High Density

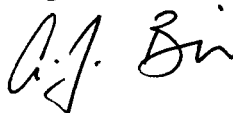

This notice is to inform you that as of March 20, 2008, Specification AMS-T-21014A, which governed Tungsten Based Metals, has been cancelled and superseded by the issuing entity, Aerospace Materials Division, SAE, because equivalent technical requirements are provided by ASTM B 777-07.

The requirements of the latest issue of ASTM B 777 shall be fulfilled whenever reference is made to the cancelled AMS-T-21014. Mi-Tech Quotations and Sales Orders will reflect this change effective May 1, 2008.

If you would like a copy of the cancellation notice, you may visit the SAE website at www.sae.org. For a copy of the current version of ASTM B 777-07, you may visit their website at www.astm.org.

If you have any questions concerning these changes, please contact your Account Manager.

Regards,

A.J. Bir
